

Our Story

From a dream to your favorite neighborhood café

A Passion for Great Coffee

Sunrise Brew Café began in 2018 when founders Maya and David Chen decided to create a space where quality coffee meets genuine hospitality. After years of traveling and experiencing coffee cultures around the world, they brought their vision to Oakwood Heights.

What started as a small corner shop has grown into a beloved community gathering place. We've stayed true to our original mission: serving exceptional coffee while creating a welcoming environment for everyone who walks through our doors.

Every cup we serve reflects our commitment to craftsmanship. We source our beans directly from family farms in Ethiopia, Colombia, and Guatemala, ensuring fair compensation for growers and the highest quality for you.

What We Stand For

Our values guide everything we do, from bean selection to customer service.

Sustainability

Quality

We never compromise on ingredients or preparation. Every drink and pastry meets our exacting standards.
